

ST · OLAF COLLEGE

Ride with Ole pride

Want to show your love for St. Olaf - without the clutter of a bumper sticker? Then get your official "St. Olaf" Minnesota license plates.

The plates are available for passenger-class vehicles owned or jointly owned or leased by the applicant (alumni status not required). The cost of places include a \$25 annual gift to St. Olaf College (you may increase the amount if you wish). Plates are available by application through the Minnesota State Department of Public Safety.

For more information contact:
