

St. Olaf College Verification Form 2008-2009

Your application was selected for a review in a process called “Verification.” In this process, St. Olaf will be comparing information from your application with signed copies of your (and your spouse’s, if you’re married) 2007 federal tax return and W-2 forms. Federal regulations require us to collect and compare this information before disbursing federal aid. If there are differences between your application and your financial documents, St. Olaf may need to make electronic corrections to the information reported on your FAFSA.

Please complete this form as soon as possible and return it to the St. Olaf College Financial Aid Office so that your financial aid will not be delayed.
